## McCullin Takes Municipal Helm

### Yoemen Take District Track-Field Honors

Cameron ran away with the District meet in athletics here Friday and Saturday with Lawrence Michalka, promising sophomore, topped the list in individual scoring to make a major contribution to the victory of the Yoemen.

Michalka also stars in football, basketball and baseball. He piled up 13 points for his school here Saturday. Not only did the Yoemen get top honors in the senior track and field events but took junior high honors.

Yoe came out with 66 5-6 points, and was trailed by Hearne, with 30 5-6. Franklin with 20 1-3 and Taylor with 20. Cameron junior high scored 34 1-2 points, followed by Franklin with 24 1-2 and Hearne with three. Ada Henderson elementary school of Cameron wound up with 44 points, and Franklin, the only other team entered, could collect only 19.

Yoe high school claimed six first places and Taylor ran second with three. Both Franklin and Hearne collected two firsts.

Results were: 120-yard high hurdles—Hawkins, Cameron, 18.3 seconds; 100-yard dash—P. Burke, Cameron, 10.4 seconds; 440-yard dash—Howell, Franklin, 55 seconds; 220-yard low hurdles—Laywell, Cameron, 25.6 seconds; 440-yard relay—Cameron, 47 seconds.

Half mile—Dusek, Cameron 2:16.5 minutes; mile—Reeves, Taylor, 4:57 minutes; mile relay—Franklin 3:51.8 minutes; pole vault—Gerick and Michalka, both of Cameron, 9 feet, 10 inches; running high jump—Kunz, Gerick and Michalka, all of Cameron, five feet, six inches; shop-put—Miller, Taylor, 37 feet; broad jump—Henderson, Hearne, 18 feet 10 3-4 inches; discuss—Miller, Taylor, 101 feet, four inches.

### Episcopal Churches to Hold Joint Services

The Episcopal churches of Cameron and Rockdale will hold a joint service at St. Thomas church in Rockdale on Good Friday, April 19, at 7:30 p.m. with the Rev. W. Meade Brown of Taylor in charge. A cordial invitation is extended to those who wish to attend.

Mrs. L. E. Miller is recovering at Newton Memorial Hospital where she has been a patient for several days.

At a called meeting of the City Council at 10:00 a.m., Monday, April 15, at the request of a committee of the Band Parents Association, the council unanimously voted to donate \$3,500.00 for the purchase of 70 new uniforms for the Yoe High School Band.

### Will Rogers' Humorous Story

By WILL ROGERS

STORIES about things to eat and people that eat them are all supposed to be funny, so I reckon this'll be awful funny. There was a fellow that was eating in a restaurant where he was right well acquainted, and he ordered fish and soup and a lot of other things. The waiter brought the soup in, and then he stood around and finally he says, "Say, Mister, if you don't mind, would you just as leave have the fish before the soup?"

The customer says, "Why, no, I wouldn't just as leave. I want the soup first, of course. Unless there's some good, strong reason for having the meal served some other way."

"Well, sir," says the waiter, "I think there's a pretty strong reason. If you don't mind, I think that there fish just naturally has gone as long as it ought to without eating."

### CAVALCADE OF HISTORY PLANS ARE PROGRESSING

Hope for successful and representative observance of the city's Centennial rose here today with the announcement that script writers have about completed the Cavalcade of History which is to close and climax the three-day celebration here, May 25.

L. Van Perkins, chairman of the Central Committee for the Centennial, was in Austin Sunday to confer with the W. A. Matthews Production company about the Cavalcade in Cameron. The Austin production company is serving out of the University of Texas and is represented by W. A. Matthews and Martha Morgan, both graduates in drama from the University.

Mr. Matthews will leave Texa in September to become head of the drama department at Vassar College.

They are now staging the Spring Follies at the University of Texas and will be in Cameron on April 28 and will remain here until the Centennial is over.

### J. E. FLINN DIRECTOR FIRST NATIONAL BANK

J. E. Flinn, is now associated with First National Bank as a stockholder and a Director, it was announced by Lester Williams, president of the bank.

Mr. Flinn, widely known citizen and cotton merchant, is one among several prominent business men who have become identified with the bank during the past few months.

It is interesting to recall that on January 13, 1914 the late E. A. Flinn, father of J. E. Flinn, was elected a director and Vice President of the First National Bank.

As a member of the Board of Directors of the bank, Mr. Flinn will bring to the management of the institution a wealth of public confidence and his association with the bank is a welcome development in Cameron's post war business activities.

In addition to his business engagements Mr. Flinn is a member of the Cameron School Board and the Cameron Planning Board.

### FUNERAL SERVICES FOR MRS. A. E. SHARPE HERE

Funeral services for Mrs. A. E. Sharpe, 79, who died in a local hospital at 6:45 a.m., Friday, April 12, were to be held at 4 p.m., Saturday, April 13 from First Methodist Church with Rev. K. R. Isbell, pastor, officiating.

Mrs. Sharpe had been a resident of Cameron for 50 years and a member of the Methodist church for 45 years.

With interment in Oak Hill Cemetery, funeral arrangements were directed by the Marek-Burns Funeral Home.

Mrs. Sharpe had been ill for some time. She was the mother of R. E. Sharpe and Walter F. Sharpe and Mrs. Pope Sapp of Cameron.

Active pallbearers are: Frank Monroe, Chas. McDermott, Sam McDermott, H. H. Stedman, E. A. Perrin and A. J. Smith, Sr.

Honorary pallbearers: W. O. Triggs, R. L. Batte, Sr., A. H. Baskin, Sr., Jeff T. Kemp, Roy Baskin, John Henderson, Alvin Dusek, W. H. Stafford, W. G. Harsha, John Muse, L. F. Gohmert, Ray Burke, V. E. Harrison, Ladis Marek, Penn Wolf, F. A. Marek, Bob Terry.

Mrs. Lucy Clifton is spending several days visiting her children in Houston.

GRAY GORDON

### Gray Gordon and Orchestra Booked For Centennial Dance

Gray Gordon and his orchestra have been signed for the Centennial Dance here on Friday night, May 24, it was announced by Albert Collins, chairman of the committee on arrangements.

Tickets will go on sale within a few days. They are limited to 400 couples and balcony seats will be sold at the school gymnasium.

When it was found that Frankie Masters and his orchestra could not be booked, although the agents had made a tentative contract, the Music Corporation of America booked Gray Gordon. The Gordon orchestra is a big time national celebrity in music and among the engagements are famous hotels and ball rooms all over America.

Mr. Collins said that it will be the first time in history that such an orchestra has been booked in Cameron.

Music Corporation of America presents "It's Time for Gray Gordon and his Tie-Toe rhythm" each day from coast to coast and Cameron music lovers are familiar with the famous broadcast.

Mr. Collins was planning a meeting of the committee early Wednesday or Thursday to arrange for publicizing the appearance here of Gordon and his orchestra for the Centennial dance.

### YOEMEN ARE DUE IN SAN MARCOS THURSDAY

Nine Yoemen are due in San Marcos Thursday, April 18 for the regional athletic meet. Coach Jackson was well pleased with the showing here last Saturday.

While competition was not extensive the Yoemen did a creditable job and walked away with the meet with 66 5-6 points. Hearne was second with 30 5-6; Franklin, 20-13, and Taylor was fourth with 20.

Sophomore Lawrence Michalka was high man of the meeting with 13 points.

The following Yoemen will go to San Marcos: Joe Hawkins, Paul Burke, T. J. O'Neill, Lawrence Michalka, E. Laywell, Richard Burke, E. Dusek, A. Gerick, and Pete Kunz. All placed first or second in the district meet here Saturday.

### Softball Team Here Issues Challenge

Cameron's softball team has issued a challenge to all comers.

Manager Hubert Holloway had his boys out at central park last night and they looked good.

What the boys want is a game or two a week. "We have the best softball team in Texas, so our boys think, and if anyone thinks otherwise we are ready for all comers, said Mr. Holloway.

The boys have been playing games with Maysfield and Branchville and are well organized. Anyone wishing games can contact Mr. Holloway.

### SUBSCRIPTION RATES ADVANCE

Beginning May 1, the subscription price of The Herald will be advanced because of increased prices on news print and other supplies, as follows:

	Per Year
In Milam County	\$1.25
Out of County	1.50
Foreign and Far Postage Zones	2.00

No Subscriptions taken for more than 1 year.

### Council is Organized For New City Deal

#### SCHOOLS TO CLOSE IN CAMERON ON MAY 22

Cameron public schools will close for the summer vacation on May 22, it was announced by Superintendent W. T. Hanes.

The date to close was selected because of the conflict with Centennial dates here on May 23, 24 and 25.

The Baccalaureate sermon will be delivered at Methodist church on the night of May 19. The Senior Class graduation will be held on the night of May 21 and the Ada Henderson exercises will be held on May 20.

Mr. and Mrs. C. L. Canady were elected to conduct summer school if there is a demand for it.

At senior graduation the theme will be historical and based upon Centennial Year in Cameron. The graduates will give the program.

#### DAN COLLINS TO HEAD FOOD COLLECTION DRIVE

Dan Collins, who successfully conducted the clothing collection for destitutes in the war zones last winter, has been asked to accept the chairmanship of the food collection drive for the hungry of Europe.

Mr. Collins received a wire from Henry A. Wallace, Secretary of Commerce, who is national chairman, and has wired his acceptance to the New York offices.

Mr. Wallace in his telegram said the drive will start on May 12. Food will be accepted in tins and money will be accepted to purchase. The program will be conducted in full cooperation with the President's Famine Emergency Committee.

Herbert H. Lehman and Mrs. Franklin D. Roosevelt will serve as honorary chairmen. Mr. Collins was selected because of his success in the clothing collection drive. He will have the county to organize.

#### L. D. SHAW CANDIDATE FOR COMMISSIONER 3

L. D. Shaw of Rockdale, is a commissioner for Precinct 3, subject to didate for the nomination for Commissioner of the Democratic Primary to be held on Saturday, July 27.

Mr. Shaw, born and reared in the precinct, was well pleased with the reception he has been accorded by the people of the precinct and said that he was grateful to many friends who have indicated they will actively support his campaign.

In making his announcement for the office, Mr. Shaw, a farmer and 35 years old, said that he would devote his entire time to the office, if elected; that he believes he can render a worthwhile service and his friends point out that he is well (turn to page seven)

#### L. Van Perkins Files Resignation Manager Chamber of Commerce

L. Van Perkins, manager of the Chamber of Commerce, has tendered his resignation, effective any time the Chamber can secure the services of another.

Mr. Perkins has been manager for the chamber for a number of years and has been active. It was known that his private business is demanding too much of his time and he has never been a fully paid manager of the chamber.

President Narvie Caperton has the resignation and while no action has been taken it was assumed that Mr. Perkins would serve on until his successor can be found. Mr. Perkins asked to be relieved two years ago but yielded to pressure to continue. He is chairman of the Central Centennial Committee.

Mayor A. M. McCullin, shortly after he had taken the oath of office Tuesday night, announced the organization of the City Council as it will function under his term.

Nominated by a commanding majority in the February primary he was elected on April 2 and with him are two new members of the Council, Ben F. Reichert and August G. Kunz.

The ceremonies incident to the swearing in of the officials was simple and followed the accepted lines. City Attorney Roy Baskin, who performed the necessary, went to the home of Dan Tyson, Secretary and Treasurer and administered the oath. Mr. Tyson has been ill and was not able to attend the meeting of the council.

Mr. McCullin lost little time in getting down to the duties of the evening and did a fine job, indicating that he had already made considerable progress in mastering a situation which calls for knowledge of municipal affairs, so necessary if the city is to go forward as a modern community. Mayor McCullin's first day as Mayor Wednesday was a busy one. With characteristic energy he saw that newspapers were supplied with copies of his appointments and the action of the council in setting up the government for the new fiscal year.

Mayor McCullin created a new committee, the Airport Committee, to which he named Ben F. Reichert, (turn to page six)

#### Old Bullet Mold Is Dug Up By Workmen

What is believed to be an old bullet mold was brought to The Herald early Wednesday by Bob Williams, plumber, who is installing equipment in the new building for Lalla Meyers.

Mr. Williams said the mold was dug up by workmen. Due to its size there is some question about its exact classification.

In early Cameron days that portion of the city on South Houston was one of the main sections of this city. Across the street a Baptist church was built on the site where the fire station is located and up stairs the Masonic Lodge held meetings.

#### 90 BEARD GROWERS AT ORGANIZATION MEET

Cameron's beard growers are taking their part in the Centennial seriously but with good humor and fun.

About 90 of them were in district court room Tuesday night for the preliminary organization meeting.

Dan Collins was named King Fish and Joe Matula was elected Secretary and Treasurer.

Sheriff Carl Black was made collector of fines from those who shave and don't go through with the deal. His collectors are Ace Graham and Fritz Heintze.

The roll was called and men signed up. Others who wish to sign up should get in touch with the officials at once.

Already \$80 in prizes are offered, the publicity committee for the Centennial adding \$25.

Leo Fuchs was asked to select a team to play the high school boys in a benefit game to buy uniforms.

The meeting elected to postpone final organization until next Tuesday night April 23. In the meantime a letter has been dispatched to Brownsville to get information on how the club was managed there. There will be three prizes and the club will have a barbecue after the Centennial, the place to be at Roy Yates farm at Branchville.

Prizes announced thus far are: Mr. and Mrs. H. F. Smith, \$15; Centennial Publicity Committee, \$25.00; Lack's Associate Store, W. C. Allen, manager, \$5.00 L. F. Gohmert, \$5.00; N. L. Caperton, \$5.00; O. B. Beasley, \$5.00; Jack Cammer, \$5.00 and Roy Yates, \$5.00.

## Girl Scout Work Takes On Added Interest As Austin District Meeting Scheduled; Caperton Will Be Envoy For Local Troops In Convention

Kath Caperton was chosen at the Girl Scout Council meeting Thursday as the voting delegate from this council to represent Milam County at the Colorado Lakes Girl Scout Area Meeting to be held in Austin, April 28, 5:00 p. m. at the Driskill Hotel. This meeting will include 36 counties and is being held to form an area Girl Scout Association which will be in charge of the elaborate Girl Scout Area Camp that is being constructed in Austin. Since this is the first meeting of the Area Association its chief objectives will be the adoption of a constitution and the election of a Board of Directors. The constitution is to be voted on in Austin and read to the Cameron Girl Scout Council at its regular meeting, Thursday, April 21, held at the Ada Henderson School, in order that they might discuss it and let Mr. Caperton know how to vote.

Rev. George Duda reported on his trip to the Regional Council meeting in Houston April 8 and 9. The program there was planned to give a complete picture of the place of adults in the Girl Scout program of work, and to explain their duties. Adults working with the Girl Scouts include the leaders, the troop committees (made up of several mothers of girls in the troop), the Council,

and the staff members. All adults except the staff are volunteer workers who give their time and energy because they see the value of the Girl Scout Organization to the girls and the community. The staff members are those who make a full time job of training the other adults who work with the scout and of supplying them with the necessary tools for carrying on the work.

Mrs. Wells Smith reported that her troop of 3rd and 4th graders had been making animal bean bags to be used later in their games and that they are planning an Easter Egg Hunt at their regular meeting Wednesday, April 17.

Mrs. Rudolph Richter reported that the St. Anthony Brownies had been making some pot holders.

Mrs. Roy Bessley reported that her troop of 5th and 6th graders had visited the Coca-Cola plant and learned how it operated. They received some very attractive souvenirs.

Mrs. Whitley reported that her troop of 7th and 8th graders had planted some flowers at the Girl Scout Littlehouse and were trying to make the yard look better for the Centennial.

New members for this meeting were Mrs. Clifford Jensen, Mrs. C. W. Bradbury, Mrs. John Henry Wilson,

Mrs. Bill Burns. Other council members were Reverend George Duda, Narcie Caperton, Mrs. Stanley Swift, Mrs. F. A. Somers. Leaders present were Mrs. Wells Smith, Mrs. Rudolph Richter, Mrs. W. T. Whitley, Jr., Mrs. Lester Williams. The time and place of the next meeting will be announced later.

A nature study hunt and a chili supper were enjoyed by the Intermediate Girl Scout Troop No. 2 at their regular meeting Saturday, April 13, at the Girl Scout Littlehouse held from three to five; Mrs. W. T. Whitley, Jr., and Mrs. H. G. Haraway, leaders.

Martina Nell Lewis and her team composed of Ann Brock, Nadine Clifton, and Lynn Obermiller, won the hunt since they arrived back at the cabin first with the required 15 items (including flowers, leaves, seed pods, insects, cow's hair). The losing team, Jo Ann McLane as captain and Claudelle Robinson and Doris Benkel as assistants had to wait on the girls in the winning team during the remaining time of the meeting.

Claudelle Robinson was fire-builder and cook. She served chili, potato chips, pickles, cookies, and crackers.

At the next meeting on Saturday, April 20, each girl who attends is to bring her picnic lunch and either some handwork or a fishing pole and other fishing equipment.

## Walter Marek, Jr. Is New Business Man In Home Town Burlington

Walter Marek, Jr., is a new business man in his home town of Burlington, having recently made two important purchases.

Mr. Marek purchased the Lidsey store there and has greatly improved it and also has purchased the telephone exchange. With Mrs. Marek they live in the store and operate both the business and the telephone exchange.

Mr. Marek is a veteran of World War II. He was severely injured in a traffic mishap at Camp Hood and spent many months in McCloskey Hospital. After his discharge he returned to his home town of Burlington and was married. He later moved to Dallas but recently disposed of his property there and returned to his home city of Burlington to engage in business.

Gradually building up his stocks he is enjoying a nice business from that territory.

## Riley Appliance Co. Opens For Business

An important business development of the week was the establishment and opening of the Riley Appliance Company.

This new business for Cameron is located in the Tallesdy building south of the Texas Power & Light Company on North Houston.

Mr. Riley recently arrived in Cameron from Dallas. He has had a franchise for a number of nationally advertised lines of appliances for some time and has been awaiting a suitable business location in the city.

The merchandise he is to sell include such well-known lines as Philco radios, refrigerators, air conditioners, Estate ranges, and many others. Mrs. Riley and their three children will soon join Mr. Riley in Cameron. He will soon have a home here, being fortunate to secure a place to live. Mr. Riley announces the opening in this issue of The Herald.

Elpidia Turner, the wife of Andrew Turner of Cameron, is a patient in the Newton Memorial Hospital and doing well.

## Whiskers Premier To Bring Out Big Crowd At Court House Meet

The Whiskers Premier was due to bring out a sizeable crowd of fun-makers who want to add color to the Centennial.

The meeting is to be held tonight at 8 in District Court room. The purpose of the meeting is to organize, lay down rules and to get the bearded groovers on the dotted line.

Those who are promoting the meeting urge everyone who has joined in the whiskers movement to be on hand. It will be an excellent opportunity to compare chins and who knows but what the boys who are laying it on the line can get a pretty good idea about who is going to win.

As Bob Service once said: "It's pay day at the mines and the bearded brutes come down." Better show up tonight.

Mrs. Alvin Alliday of Rockdale visited in Cameron on Monday.

John Kold of Lost visited in Cameron last week.

## MARVENE SUDS

puts the jinx on soap film that dulls your dishes!

WHOOPEE! No more soapy film to dull my dishes...or soapy scum to clog the drains!

If you're tired of washing dishes by old-fashioned methods — tired of soapy odors — tired of soapy film on glassware and dishes—tired of hard-water scum that clogs drains—switch to modern MARVENE SUDS! Seven times sudsier than soap in hardest water — its concentrated cleansing power gets dishes really clean in a jiffy—saving you time and work! Just swish — rinse — and your dishes dry sparkling clean—without wiping — without rubbing! Even greasy pans and kettles "come clean" with hardly any effort!

**MARVENE SUDS best for many uses!**

Puts suds to shame for safely washing finest color fabrics.

Keeps wrinkles softer, flatter — leaves no soap film to brownen them or fade their colors.

Kinder to your hands than any soap — harmless for baths.

**MARVENE SUDS**  
MAKES DISHES SHINE!  
and SOFTENS HARDEST WATER!

**NO DISH PAN SOAP SCUM!**

**MAKES DINGY WINDOWS SPARKLE!**

## SANITATION CHECKUP IS DUE IN CAMERON

A mobile health laboratory will be in this city for the next few days to make tests of the thoroughness of sanitation of eating utensils and examination of the local milk supply according to D. S. Wimberly, Sanitarian, Milam county Health Unit.

This is a cooperative survey by the local health department, State Health Department and the U. S. Public Health Service. Swab tests of glasses cups and spoons used in eating and drinking establishments will be made to determine the efficiency of their dish-washing methods.

After the utensil is swabbed, the swab is placed in a sterile tube and taken to the mobile laboratory where it is incubated for 40 to 48 hours. At the end of that time a count of the bacteria is made. A count of 100 bacteria per swab is very good, from 100 to 500 is fair, but when over 500 bacteria are found the establishment's dishwashing is poor.

Samples of milk will be taken to determine the number of bacteria in it. Also, phosphate tests will be made as a check to see if the milk has been properly pasteurized. These are but a few of the checks necessary to comply with the Standard Milk Ordinance.

### New Fibers

Shortage of silk after Pearl Harbor spurred chemists to greater research on nylon, whose durability, as well as adaptability for many uses, was proved during the war. Among newer contenders for the textile throne are ramie, a grass fiber, and aralac, made from milk curds.

Bob Reimer who lives on Route 2 out of Cameron is ill in Newton Memorial Hospital.

## O. E. Cramblit's Leave For Columbus, Ohio

Mr. and Mrs. O. E. Cramblit left this week for Columbus, Ohio, where they will make their home.

Mrs. Cramblit is the former Mary Sue Price, daughter of Mr. and Mrs. A. R. Price of Cameron. She is a graduate of Yoe High School, and attended business college in Austin.

Mr. Cramblit is the son of Mr. and Mrs. Lawrence Cramblit of Columbus, and was recently discharged from military duty after serving more than four years in the service. He served 18 months in the European Theatre of Operations with the famous 3rd Army commanded by the late General George Patton. Mr. Cramblit will enter mechanical school in Columbus.

## New Garage Opens In Cameron April 15

A new garage and auto repair shop will be opened in Cameron on Monday April 15.

The new business will be located in the building on South Travis adjoining the Carey Lumber Company.

Fred Shoaf, well known mechanic, and son of R. L. Shoaf, will own and operate the new business. They will specialize in general repair work on autos and bicycles.

R. L. Shoaf was recently discharged from the navy, having served 7 months in the Pacific aboard the hospital ship, Marigold. He has a wife and baby daughter.

### Energy Food

Potatoes are largely an energy producing food, but they contain a good deal of vitamin C when they are harvested, as well as iron, other minerals, and vitamins. One medium-sized potato contains about 100 calories.

Classified ads bring results.

## Two More Teams Are In \$1300 Class With Centennial Funds

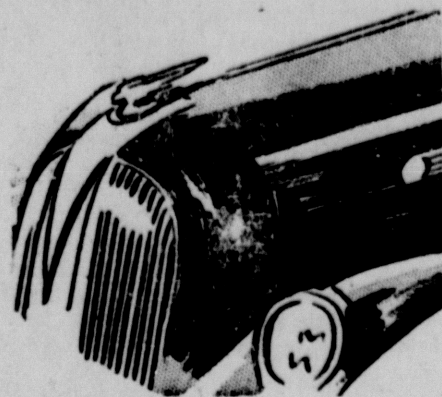

Success in raising Centennial funds is due in large measure to the enthusiasm of the teams soliciting.

It is revealed that two more teams have qualified for the \$1300 class. They are A. W. McCullin and John B. Henderson as No. 4 team, and Al-

bert Young and E. C. Cole as No. 6 team.

These teams have turned in over \$1300 each to swell the collection to pay for the celebration. The fund is still shy of the goal and additional funds will be necessary.

Friends of William Jackson of Rockdale will be glad to know he is recovering in Newton Memorial Hospital.

## MAMIE A. HEFLEY INSURANCE

THE VERDICT OF THE YEARS IS  
SATISFACTION

"Time Tried and Fire Tested"

INSURANCE IS NOT AN EXPENSE—IT IS AN INVESTMENT IN SECURITY!

... And you can spend each one in cool comfort... if your home is equipped with Attic Ventilation.

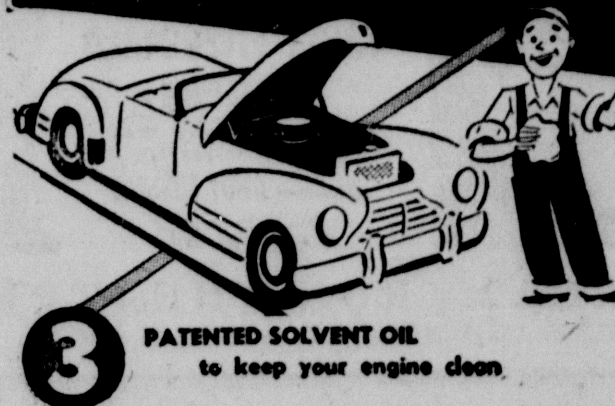

Drawing economically on an unlimited supply of night air, which is Nature's own cooling medium, the attic fan circulates fresh, clean, dew-laden air, lowering indoor temperatures during the hot summer months. It draws from walls and ceilings the heat which has accumulated during the day... it provides an abundance of gentle, night-cooled breeze. The result is a delightfully cool comfort throughout the house.

So whether you're building anew, or planning improvements for your present home... give Attic Ventilation serious consideration. You'll find this efficient, economical and healthful method of cooling your home during the summer will repay your investment many times over. See electrical dealers for new Attic Ventilation equipment.

If you already have Attic Ventilation installed in your home, NOW is the time to check your equipment thoroughly so that it will be in readiness for the warm nights that are just around the corner. Be certain that all equipment is properly lubricated... that the motor and belt are in good condition.... And if repairs are indicated, call a reliable serviceman now, and be ready for the summer season!

## 444 New Ideas Are Granted Patents

### Sandwich Making Machine Is An Important One.

WASHINGTON. — A sandwich making machine, and a method of making a hard wax directly from sugar cane were among 444 patents granted recently by the United States patent office.

A fumigating method for treating insect infested grain stored in bins was patented by Fred W. Fletcher and Guene Kanaga of Midland, Mich., and assigned to the Dow Chemical company of Midland. A volatile fumigant composed of a solution of from 2 to 20 per cent of ethylene bromide in carbon tetrachloride is injected in the top of the bin and onto the surface of the stored grain.

Two tables of different heights are utilized in the sandwich making machine patented by Bengt A. Arvidson of Villa Park, Ill., and assigned to the Miller Wrapping and Sealing Machine company of Chicago. A conveyor on the higher of the tables has pockets for bread slices, and as the bread moves along, every other slice is spread with the filling for the sandwich. Then the bread steps off to the lower table, the coated slice falling first. The plain piece of bread falls right on top, and there's the sandwich—butterless.

Production of sugar cane wax, patented by Werner F. Goeppfert of Oradell, N. J., is accomplished by heat and chemical treatment of sugar cane muds.

A convertible attachment that makes a bicycle a four wheeler was patented by Clyde R. Kuttil of Sioux City, Iowa, and is unassigned. The spars are attached to the rear wheel of the bicycle and are the same size as the other wheels.

### Mammoth Telescope Will Make Map of Universe

PASADENA, CALIF. — A photographic map of the universe will be the first job, scientists disclosed recently, of the nearly completed 48-inch Schmidt telescope soon to be installed atop Palomar mountain.

The Schmidt scope, now being readied by California Institute of technology experts, will be used as a companion instrument with a 200-inch telescope which also is to be installed on Palomar when completed.

The Schmidt, with its wider range, will discover objects for the farther-ranging giant instrument to investigate.

Dr. Edwin P. Hubble, astronomer recently returned to Caltech after serving as chief ballistics officer for army ordnance, said the job of mapping the whole sky would take the 200-inch telescope 1,000 years. The Schmidt, however, he said, could cover the universe photographically in five years.

Although termed a 48-inch telescope, the Schmidt has a 72-inch mirror. It takes its label from its 48-inch correcting lens, similar in function to the aperture in a camera.

The mirror has been finished. It weighs almost 3,000 pounds and is 9 inches thick. The correcting lens, a thin sheet of special plate glass, has not yet been completed.

### Report Hitler, Eva Had

#### Son; Secret Well Kept

NEW YORK. — The Brazzaville radio said that a son was born to Adolf Hitler and Eva Braun at San Remo, Italy, on December 31, 1938.

The broadcast said it has been established that Eva Braun was living in seclusion then at a villa in San Remo and that "Italian journalists" knew that she had given birth to a boy but were forbidden to mention the matter on orders from their foreign office.

The Brazzaville radio added that a year later, in the early morning hours of January 1, 1940, a German foreign office member was arrested by the Gestapo in Munich for "having stated during the festivities: 'Today, the Fuehrer's son celebrates his first birthday.'"

### Boost in Standard of Living in 1946 Seen

BUCK HILL FALLS, PA.—The real standard of living for American families residing in cities "ought to increase" this year despite the probability of price boosts, a department of labor official told delegates to the Home Mission Council of North America.

Charles D. Stewart, chief of the occupational outlook division, bureau of labor statistics, asserted the standard of living will rise "because of reduction in personal taxes, wage rate increases through collective bargaining and voluntary increases that are now being made in many instances."

### Radar Guides 'Blind'

#### Ship in Thames Fog

LONDON.—A convincing demonstration of how radar can increase the safety of ocean navigation was given when a 3,000-ton ship steamed "blind" up the foggy Thames estuary, guided only by the "magic eye" of its radar equipment.

Unerringly the vessel maneuvered past shipping.

## Only 6 of Original Cameron Jim Hogg Club Now Living

Only six members of the original Jim Hogg Club in Cameron are now living and three are residents of this city.

Publication of the story of the Hogg-Clark debate here on May 3, 1892 when they opened their campaign for Governor, has brought many of the old timers to talk about the good old days.

Judge Jeff T. Kemp has the original signed list of the Hogg Club in his safe at the court house. He was then 21 and was chairman of the Hogg Club.

The members who are still living are: Judge Kemp, Matt B. Bailey and M. M. Johnson, all of Cameron; J. F. Storey, San Marcos, and T. R. Dobbins of Roscoe, Texas.

There was bolting in those days too. Judge Kemp said that at the State Convention in Galveston that summer the Clark supporters bolted the convention.

The big issue was the Railroad Commission. Governor Hogg was first elected governor in 1890. He had named the members of the Commission and was challenged in the campaign of 1892 by Clark.

W. K. Powitzky of Corpus Christi who has been in Cameron since February and who was former news commentator for the radio station KRIS at Corpus, was notified by telegram Wednesday that he is wanted at the station. Mr. Powitzky was glad to have the opportunity to return to his old place with the station.

Mrs. Walter Senkel has returned home after a pleasant visit with her two daughters and families; Mr. and Mrs. Curtis Phipps of Corpus Christi, and Mr. and Mrs. Jack Yewell of Mission. She also visited her sister, Mrs. Arthur Lange of Corpus Christi.

## Educational Benefits Under GI Bill Are Explained to Vets

Q. How does a veteran make application for a course of education or training under the Servicemen's Readjustment Act of 1944 (GI Bill of Rights)?

A. By filing an application on Veterans Administration Form 1560, with the Regional Office nearest his location or through the approved educational or training institution which he has selected.

Q. Upon what conditions is a disabled veteran eligible for vocational rehabilitation under the Servicemen's Readjustment Act of 1944?

A. The disabled veteran must have been discharged under conditions other than dishonorable and must have a disability incurred in or aggravated by active service for which pension is payable or would be but for the receipt of retirement pay, under the laws administered by the Veterans Administration and must be in need of vocational rehabilitation to overcome the handicap caused by such disability.

Q. Are all veterans entitled to education or training under the Servicemen's Readjustment Act of 1944?

A. Yes. All veterans, whether disabled or not, who were discharged under conditions other than dishonorable and who have served ninety days or more in the armed forces, are entitled to education and training under this act.

Q. Who may borrow money under the Servicemen's Readjustment Act of 1944?

A. Any veteran who was in active service after September 16, 1940, and before the end of the war was es-

tablished by Act of Congress, who served at least 90 days or was discharged for disability incurred in line of duty and who was discharged un-

der conditions other than dishonor through his local financial or bank. If eligible, he should apply ing institution.

### 'Sailor Takes A Wife' Gay Comedy of First Week of Married Life

The trials and tribulations of a newly-married couple provide laughter and poignant moments alike in "The Sailor Takes A Wife," which is showing Thursday and Friday, April 18 and 19, at the Cameron Theatre.

With Robert Walker as the sailor, and June Allyson as the wife, the picture tells the heartwarming story of the two falling in love at first sight after their meeting at a New York canteen. Thinking they have little time left, the couple are married by a justice of the peace and set up housekeeping in an unfurnished brownstone apartment. Much to Walker's chagrin, he is given a medical discharge and finds himself looking for a job.

The hundred and one petty little disagreements and disappointments

that beset the path of newlyweds are aggravated in this case by the appearance of a fascinating Roumanian refugee, Audrey Trotter, who has the apartment below. When a meeting between Walker and Miss Trotter for the purpose of introducing him to a would-be employer results in his returning home covered with lipstick, the lid blows off on Walker's domestic household, and it takes a deal of plotting and placating before husband and wife are reconciled.

Walker has one of his best roles as the young husband who inadvertently does the wrong thing toward winning the confidence of his suspicious bride, and Miss Allyson makes the girl sympathetic and understandable. Miss Trotter is a captivating villainess, and the cast is aided by the work of Hume Cronyn as Miss Allison's employer, Eddie "Rochester" Anderson as a procrastinating janitor, and Reginald Owen as a man who is deterred from giving Walker a job when the latter spills an entire dinner on him.

### Community Party at Maysfield

# DOWN GO ELECTRIC RATES

# AGAIN

## Announcing Another Rate Reduction...

**GIVING A SAVING OF  
\$7,200 ANNUALLY TO THE  
PEOPLE OF CAMERON**

Rates for residential, commercial and small power users of electric service in Cameron have been cut again... the fifth major reduction since 1929!... giving a saving of \$7,200 yearly to the Company's customers here. Yes, right when prices on other commodities and services are going up, and when the total cost of living is zooming up... rates for electric service come DOWN!

This latest cut in rates in Cameron is part of a general reduction throughout the area served by the Company, which, when completed this year, will save TP&L customers more than \$1,000,000 (one million dollars) annually. This is in keeping with the Company's policy of lowering rates to its patrons just as often and as much as possible.

This rate reduction is made possible by savings arising from increased volume of business, diversification, and efficient management.

The new, lower rates become effective on meter readings on and after May 1, 1946, and add new buying power to the dollar spent for electric service. While the cost of electric service is down, its usefulness in the home and business is way up! The real electrical age is just beginning. Scores of new appliances are coming on the market... others are coming out greatly improved. Living electrically is bringing new comforts and conveniences... new thrills for the home and family. And, the new, lower rates make it possible to enjoy them all at amazingly low cost.

TO GET THE MAXIMUM BENEFIT FROM  
THIS LATEST RATE REDUCTION, SPEND THE  
SAVINGS YOU GAIN FROM THE NEW,  
LOW RATES FOR MORE ELECTRICITY AT  
THE NEW LOW RATES.

**TEXAS POWER & LIGHT COMPANY**

THE CAMERON HEKALD  
ESTABLISHED 1860.

Entered in the Post Office at Cameron, Texas, as mail matter of second class under an act passed by Congress, March 3, 1879.

JEFFERSON B. WHITE  
Editor and Publisher

During this week before Easter when thoughts naturally turn to the promise of new life and hope inherent in the celebration of the church ceremony, we can readily understand why a great charitable service organization, with affiliated societies in forty states of our nation, chose Easter as symbolic of services to the crippled.

Specific services for physical improvement, mental training at home or in school, recreation and vocational guidance with placement in suitable jobs lead the crippled child, as he matures, into useful citizenship.

To make these opportunities for new life available to all crippled children is the goal of the National Society for Crippled Children and Adults, together with its affiliated state societies of which the Milam County organization is one.

Every one may share in these services through the purchase of Easter Seals, providing funds for the work which brings happiness and Easter joy to crippled children.

McCULLIN

(continued from page one)

chairman, with Bob Terry and August Horstmann. The new mayor plans a modern airport and has spent much time of late checking other cities and seeing what they are doing about aviation and air lines. Mr. Reichert is also enthusiastic and his selection was regarded as a good one.

Mayor McCullin also asked for and obtained sanction of the Council to set up an Advisory Committee, as follows: J. B. White, R. G. Grabein, Albert Collins, F. G. Blake, Dr. Clifford Swift, H. H. Stedman, L. F. Gohmert, A. E. Matula and J. E. Flinn.

August Kunz, new council member, drew down two of the most important assignments. He was named to the chairmanship of the Finance Committee and also the committee on Water and Lights. Another honor given him was a place on the street committee.

August Horstmann, retained as chairman of the Street Committee, was honored by appointment as Mayor Pro Tem.

Ben F. Reichert, new council member, was named to the chairmanship of the Police Committee and also was placed on the Finance Committee.

Here are the committees: Streets: August Horstmann, chairman, August Kunz and Bob Terry.

Finance: August Kunz, chairman, Ben F. Reichert and Sam McDermott. Tax Committee: Sam McDermott, chairman, August Kunz, and August Horstmann.

Police: Ben F. Reichert, Bob Terry and August Kunz.

Water and Lights: August Kunz, chairman, Bab Terry and Ben F. Reichert.

Petitions: Sam McDermott, chairman, August Horstmann and Bob Terry.

Ordinances: August Horstmann, chairman, Sam McDermott and Ben F. Reichert.

Sanitation: Bob Terry, chairman, August Horstmann and Ben F. Reichert.

Printing: Bob Terry, chairman, August Kunz and Sam McDermott.

Other appointments were as follows:

Street Foreman and City Parks: N. J. Johnson, at \$25 per week.

Cemetery: Henry Brown at \$19 per week

Health Officer: Dr. T. E. Crump, at \$12.50 per week.

Night Watchman: C. V. Huffman, at \$125 per month.

Fire Marshal: John Eans at \$150 per month. Mr. Eans is also a night policeman.

Fire truck driver: Frank Richter at \$125 per month and house and utilities.

Fire Chief: Ralph Michalka.

Plumbing and Electrical Inspector: J. L. Barmore.

City Purchasing Agent: Dan Tyson. Official newspaper: Cameron Enterprise.

Jim McGoldrick became city marshal and the oath of office was administered to Roy Baskin, City Attorney and to W. H. Stafford, Assessor and Collector of Taxes.

FOR SALE—About 50 rolls barbed wire. W. A. Belt, Milano. (50-1tp)

Chas. M. Hicks Does Not Use Tobacco But Collects Cigarettes

Chas. M. Hicks, county superintendent, does not use tobacco in any form yet is a veteran cigarette collector, an interesting hobby.

At his offices in the court house he has two boxes well filled with various brands, some of them foreign pack.

Of especial interest and design are one American and one Russian cigarette. The American cigarette, a "Banquet" is encased in a glass tube with a cork and is several times the size of an average cigarette, in fact almost cigar size. The Russian is an "Imperial Russian" and gold tipped.

There are many other brands not known to this area. Mr. Hicks passes out rare smokes occasionally to friends. The collection would make an interesting display.

L. D. Shaw of Rockdale transacted business in Cameron this week.

NOTICE

Anyone interested in the Rice Cemetery working will please meet there on Friday, April 26. Come early and spend the day. Labor has been engaged, but it is necessary to meet and arrange the work. (51-1tp)

Mr. and Mrs. M. G. Cox and Mr. and Mrs. Chas. M. Hicks are attending a Rotary Convention in Galveston. Mr. Cox and Mr. Hicks will report on the convention Wednesday to the club.

Ida Johnson has been quite ill and is a patient in Newton Memorial Hospital.

ACTS ON THE KIDNEYS

To increase flow of urine and relieve irritation of the bladder from excess acidity in the urine

Are you suffering unnecessary distress, backache, run-down feeling and discomfort from excess acidity in the urine? Are you disturbed nights by a frequent desire to pass water? Then you should know about that famous doctor's discovery — DR. KILMER'S SWAMP ROOT — that thousands say gives blessed relief. Swamp Root is a carefully blended combination of 16 herbs, roots, vegetables, balsams. Dr. Kilmer's is not harsh or habit-forming in any way. Many people say its marvelous effect is truly amazing.

Send for free, prepaid sample TODAY! Like thousands of others you'll be glad that you did. Send name and address to Department B. Kilmer & Co., Inc., Box 1255, Stamford, Conn. Offer limited. Send at once. All druggists sell Swamp Root.

BRONCHIAL COUGHS

OVER 100 MILLION BOTTLES SOLD! SIMPLY GREAT FOR MONTHLY PAIN

Lydia E. Pinkham's Vegetable Compound does more than relieve monthly pain when due to female functional periodic disturbances. It also relieves accompanying weak, tired, nervous, cranky feelings—of such nature. Taken regularly—Pinkham's Compound helps build up resistance against such distress. It's also a great stomachic tonic!

## ELECTION JUDGES NAMED BY COMMISSIONER COURT

The following were appointed Judges of Election by the Commissioner's Court. The first named being the Presiding Judge. These will only hold elections ordered by the Court. The Judges to hold July Primary will be named by the Democratic Executive Committee.

South Cameron—A. E. Matula, D. H. Slaughter, Mrs. R. B. Rylander, Mrs. John B. Henderson.

Curry—F. B. Durnie and John Hause

Salem—John W. House and Miss Katie Nisbett.

Ad Hall—G. C. Burke, Rudolph Mareth, Mrs. Hugh Powell, Victor Carlton.

Elm Ridge—Frank Tomek and P. L. Jackson.

Maysfield—H. L. Yager, Willard Cooper, E. D. Kelso and Floyd Phipps. Jones Prairie: J. A. McKinney and B. F. Wiese.

Baileyville—J. M. Askew and Will Brewington.

Branchville—Albert Judkins and Roy Yates.

Clarkson—Frank Janicek and John Blasienz.

Milano—W. M. Hensley, Mrs. Sallie Robinson, Miss Alice Brennan and Joe Bullock.

Gause—Lyd Cunningham, G. R. Varner, Cecil Butler and Roger Todd. Hanover—C. M. Pierce and Mrs. Frank Shafer, Jr.

Marlow—Erskine McDermott and Ernest Walston.

Rockdale—Miss Irma Dunnington, Hugo McCawley, Mrs. Otto Schukraft, Jim Eads.

New Salem—Ernest Foster and Ed Burney.

Eagle—Pete Keen and Bill Hanks.

Hoyle—B. T. Burnett and H. B. Pressley.

Minerva—A. P. Brannon and Mrs. C. W. Trotter.

Gay Hill—Miss Vashti Smith and Claud Calbreath.

Bethlehem—Mrs. Hova Caldwell and D. H. Jinks.

North Cameron—Eber Flinn, E. A. Perrin, Mrs. Roy Baskin and W. O. Triggs.

Sand Grove—Mrs. H. S. Vaughan and Curtis Jackson.

Sandy Creek—R. M. Diver and R. Aubry Pratt.

Bushdale—Herbert Menn and John Menn.

Briary—Ross Bozeman and Tom Kellen.

Lilac—Sam Lawhon and Jess Apple.

Tracy—Cecil Plate and Marvin Charles.

Sharp—Joe Petty, Mrs. Bettie Whites, Mrs. Fred Davis and Willie Schwartz.

San Gabriel—H. E. Felton and Mrs. Warren Terry.

Crush—Rufus Cryer and Mrs. S. T. Dolahite.

Buckholts—Jack Barnes, Jim Petruy, Paul Sakowitz, Mrs. Ida Bell Lewis.

Sandy Ridge—George Shurtliff and Wallace O. Wright.

Ben Arnold—Willis Vogelsang, Oliver Looney, J. A. Henderson, W. W. Reddehase.

Burlington—W. E. McAtee, Miss Mary Gleason, Pete Morris, Chas. Hensel.

Walkers Creek—L. C. Boyd and Leo Hawkins.

Marak—J. J. Janicek and Joe Slavik.

Yarrellton—Jim Mann and Clarence Coleman.

Salty—Clarence Jackson and Hugh Caffey.

Conoley—Knox Conoley and Guy Ralston.

Watson's Branch—Joe Barber and W. W. Blocker.

Thorndale—Tom Beard, Mrs. Martin Rodenbeck, Mrs. Otto Galbreath, Mrs. O. D. Graham.

Belmena—J. W. Hickman and Bill Kennon.

## Dr. and Mrs. Newton Return from Vacation

Dr. and Mrs. W. R. Newton have returned to their home in Cameron from a vacation trip to Rockport where they enjoyed fishing and a much needed rest.

Dr. Newton was back at his office in the Newton Clinic Monday for the first time in more than a week. He reports that fishing was good and that the unusually good spring weather made the stay most delightful.

Office at

CAMERON and ROCKDALE

## ROCKDALE MAN IS SHOT AND ONE IS CHARGED

J. D. (Jack) Crane, of Rockdale, is in the Cameron Hospital from a gunshot wound through his body, and Mrs. Crane is in the Milam county jail, facing a charge of disorderly conduct on a residence street in Rockdale.

Jack Lewis, widely known oil lease operator, is charged with assault with intent to murder, and has been released under bond.

Crane was shot, according to officers when he sought entrance to the Lewis home where Mrs. Crane had taken refuge as she broke away from Crane, who was beating his wife.

Mr. Lewis, it was said, would have the weight of self defense to support him against the light charges. According to the story, Crane and wife, under the influence of liquor, were fighting in the street. As they passed the Lewis home, Mr. Lewis saw the man and woman fighting and attempted to quiet them. The woman ran into his home and later Crane is said to have gone to the back door and tried to break in. When Mr. Lewis remonstrated, Crane attacked, or attempted to attack him.

Lewis then shot one time with a .32 calibre pistol. The bullet passed through the body but struck no vital organs and Crane will recover.

Sheriff Carl Black went to investigate. He arrived in time to assist in getting Crane into an ambulance and to the hospital. Mr. Lewis was arrested and brought to Cameron where a hearing was held before County Attorney Gunn and bond arranged.

The shooting occurred around 9:30 p. m. Thursday.

We don't experiment with your radio—we repair it—you pay less for your service. Any make radio. Parma Radio Service.

Friends of Mrs. Edward Miller of Burlington will be glad to know she is doing nicely in the Newton Memorial Hospital.

### SHAW

(continued from page one)

qualified for the place. He believes that a Commissioner should serve all parts of the district in a fair and impartial manner, putting back into the roads whatever tax money may be necessary to render a precinct-wide service.

If elected, Mr. Shaw said he would serve all portions of the district alike and feels that some portions of the precinct have been neglected. His first duty, he said, would be to clean out all the ditches and work the school bus and mail route. He believes these should get first consideration and says that these roads are important enough to be given this immediate attention.

As a young man he would be able to give more energy to the work and as a full-time employee of the people, feels he can render a service in keeping with the demands of a better precinct and county. As a member of the Court he would be called upon to pass upon matters of interest to the entire county and because of his experience and willingness, would add greatly to the efficiency of the government.

Road building in the next few years will be the most important piece of business in the county. The necessity to build and maintain farm to market roads and county primary roads is paramount. In a large measure the farming sections have lost population and there is no one factor more responsible for this condition than the failure to maintain all-weather roads. If elected, Mr. Shaw would keep constantly in mind these

## Acid Indigestion

Relieved in 5 minutes or double your money back

When excess stomach acid causes painful, suffocating gas, sour stomach and heartburn, doctors usually prescribe the fastest-acting medicines known for symptomatic relief—medicines like those in Bell's Tablets. No laxative. Bell's brings comfort in a jiffy or double your money back on return of bottle to us. 25¢ at all druggists.

## YOUR HEALTH...

may depend on the Service of a Prescription Pharmacy

## POLITICAL ANNOUNCEMENTS

The Herald is authorized to announce the following candidates for nomination subject to the action of the Democratic Primary to be held on Saturday, July 27, 1946:

For Congress: W. R. POAGE

For Representative 64th District: A. N. GREEN

For County Attorney: W. A. (BILL) MORRISON

For County Judge: JEFF T. KEMP

For County Treasurer: R. A. (WOODSIE) DEVERS

For County Clerk: L. J. ROARK

HOMER NABOURS

For Assessor and Collector of Taxes: VALTER WHITE

For Sheriff: CARL BLACK

For Commissioner Precinct No. 1: C. S. RANEY

ED. O. PAGEL

For Commissioner Precinct No. 2: W. W. (DOCK) MARKHAM

GRADY STIDHAM

For Commissioner, Precinct 3: RAYMOND DEES

JESTUS ALFORD

BYRON NEAL

L. D. SHAW

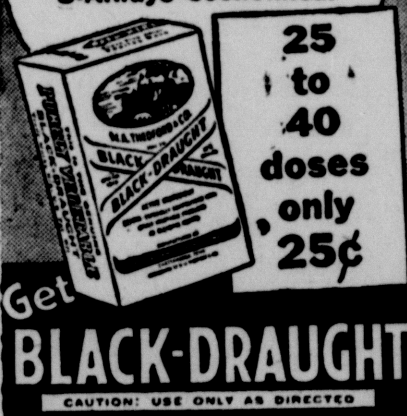

needs. Since all the state highways are under state maintenance, money formerly used for maintenance has been available for years for secondary roads.

Conditions on these secondary roads are in many instances deplorable. Mr. Shaw feels he would be doing the Precinct the best possible service to concentrate on these roads and to take the road machinery to sections long neglected.

Mr. Shaw hopes to see each voter in the precinct to ask for their vote and support, but if this should not be possible he takes this means of asking for their vote and support. He makes a pledge of service and will pay back in devotion to duty the debt he will owe the people for the confidence expressed in his election.

## HERE'S WAY TO BUILD UP RED BLOOD to get more STRENGTH

if you lack BLOOD-IRON!

You girls and women who suffer so from simple anemia that you are pale, feel tired, weak, "dragged out"—this may be due to lack of iron in the blood.

So start right away—try Lydia E. Pinkham's TABLETS—one of the best and quickest home ways to help build up red blood to get more strength and energy—in such cases.

Pinkham's Tablets are one of the greatest blood-iron tonics you can buy. Just try them for 30 days—then see if you, too, don't remarkably benefit. All druggists.

Lydia E. Pinkham's TABLETS

## LIGHT RATE

(continued from page one)

eron residents in 1929.

This latest rate reduction becomes effective May 1 in Cameron and will be applied on residential and commercial consumption after the end of this month.

"We are gratified that efficient management and increased use of service by our customers makes this reduction in electric service rates possible, even though practically all other commodities and services are following an upward trend in prices," Mr. Young said. "This reduction is a part of a general rate reduction throughout the area served by the company, which, when completed this year, will save the customers of the company more than \$1,000,000.00 annually."

"We are simply following our custom of giving voluntary rate reductions when the company's volume of business, diversification, and other conditions make such reductions possible. It has always been the continuing policy of Texas Power & Light Company to make electric service available at the lowest possible cost to its customers. This is evidenced by the fact that immediately upon formation of the company and its acquisition of the properties in the thirteen towns originally comprising the territory served, a general rate reduction was made, and since that time, rate reductions have been made frequently."

## IF YOU ARE PALE, WEAK 'DRAGGED OUT'

due to MONTHLY LOSSES—

You girls and women who lose so much during monthly periods that you are pale, feel tired, weak, 'dragged out'—this may be due to lack of blood-iron.

So start right away—try Lydia E. Pinkham's TABLETS—one of the best and quickest home ways to help build up red blood to get more strength and energy—in such cases.

Pinkham's Tablets are one of the greatest blood-iron tonics you can buy. Just try them for 30 days—then see if you, too, don't remarkably benefit.

Pinkham's Tablets are also famous to relieve monthly pain due to female functional monthly disturbances.

## Mat Fisher versus Ed's Big Toe

Mat Fisher's our local weather man... and planning for the picnic of our town Improvement Club, Mat persuades us to postpone it until Tuesday—since it's going to rain for three days, starting Saturday the 8th.

But Ed Whortle claims he can feel rain in his big toe—and he says there isn't a drop in prospect for at least three days!

Well, it's bright and sunny on the 8th—and 9th—and 10th. But come the day of the picnic, it pours

rain like Jupiter Pluvius—and we hold it in Ma Hoskins' parlor, drinking beer and roasting hot dogs.

Of course, Ed fesses Mat no end. But nobody's sore. In fact, they like Mat just a little better, being an expert and being wrong. (And from where I sit, a stormy day indoors before a fire makes a hot dog and a glass of beer extra appetizing!)

Joe Marsh

## Wonderful Plot, Music, Stars in 'Stork Club'

Life comes to the Cameron Theatre Sunday and Monday in the form of one of the liveliest, gayest film comedies seen in a long time. The picture, Paramount's "Stork Club," stars Betty Hutton, features Barry Fitzgerald, Don DeFore, Robert Benchley, Bill Goodwin, Iris Adrian, Mikhail Rasumny, Mary Young—and introduces to films radio's newest singing sensation, Andy Russell.

It is unqualifiedly delightful entertainment from opening flicker to final fadeout, and B. G. DeSylva, its producer together with Hal Walker, its director, are to be congratulated. So are the players, every one of whom does an outstandingly fine job.

Betty plays a hatcheck girl in the world-famous Stork Club, and the story revolves around what happens to her following her rescue of an eccentric millionaire from drowning. Said millionaire, in the lovable form of Barry Fitzgerald, is very much amused when Betty, thinking him a poor guy because he dresses that way, gets him a job as bus-boy at the Club.

Because he's grateful to her for saving his life, and because he likes her personally, Fitzgerald arranges to have charge accounts opened for her in all the best New York shops, installs her in a sumptuous apartment and generally transforms her life into an extremely luxuriously one—all of it anonymously!

Betty, bewildered by it all, thinks maybe the Stork Club's owner, Sherman Billingley (played by Bill Goodwin), has something to do with it but she doesn't get into serious trouble over it until her serviceman bay friends, Don DeFore, returns from the war. Then there is some explaining to do. After all, the Marines aren't known for their gullibility!

It all works out, of course, and hilariously! Before the finish, however, there is some wonderful music to be heard, sung by Betty and Andy Russell, and some wonderful Stork Club fashions to see, not forgetting the glamour night spot itself. The music includes "Love Me," "Doctor, Lawyer, Indian Chief," "If I Had a

Dozen Hearts" and "I'm a Square in the Social Circle."

## Turned 700 Occidentals Into Orientals in Day

You won't see your Chinese laundryman in Samuel Goldwyn's "The Adventures of Marco Polo." For the new Gary Cooper starring vehicle, which comes to the Milam Theatre Sunday and Monday, is laid in the thirteenth century when the Mongolians stood over six feet tall and had wispy whiskers and jeweled fingernails.

According to Robert Stephanoff, whose job it was to change from one to 700 Occidentals into Orientals every day, "The Adventures of Marco Polo" is the toughest picture from a makeup standpoint in the history of Hollywood. If Stephanoff ran his department on the assembly line principle, it would be simple. But he takes almost as much trouble with the smallest bit player as he does with the most important principal.

This makeup business is an intricate one, according to Stephanoff. The first thing to do is read the script of the picture.

"You figure out what each leading character should look like," he says. "Then when they come in, you make them fit your conception."

Sigrid Gurie, who plays Princess Kukachin, is a Scandinavian.

"First I made her into a Chinese," Stephanoff says, "Then I made her as beautiful as she was before I put on any makeup. She isn't a true Chinese type—she's sort of an impressionistic Chinese Princess."

"The Adventures of Marco Polo" is released through Film Classics.

### Christian Science Services

"Doctrine of Atonement" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, April 21.

The Golden Text is: "If any man sin, we have an advocate with the Father, Jesus Christ the righteous: and he is the propitiation for our sins: and not for our's only, but also for the sins of the whole world" (I John 2:1,2).

Among the citations which comprise the Lesson-Sermon is the fol-

lowing from the Bible: "And all things are of God, who hath reconciled us to himself by Jesus Christ, and hath given to us the ministry of reconciliation" (II Corinthians 5:18).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Jesus aided in reconciling man to God by giving man a truer sense of Love, the divine Principle of Jesus' teachings, and this truer sense of Love redeems man from the law of matter, sin, and death by the law of Spirit, — the law of divine Love" (page 19).

## Questions and Answers Help Veterans Along With GI Bill Benefits

Q. In reinstating a National Service Life Insurance policy that has lapsed, is a veteran required to take a physical examination?

A. Veterans who have let such without taking a physical examination if they submit a signed statement to the Veterans Administration that they are in as good health as at the time of the lapse. This provision will remain in effect until January 1, 1947.

Q. May a guaranty of loan be secured from the Veterans Administration to buy an automobile?

A. Yes, but only if an automobile is necessary and is to be actually used in the conduct of a business or a farming operation.

Q. How does a veteran apply for weekly unemployment allowances?

A. Application should be made at a local office of the United States Employment Service. Discharge papers must be presented at the time of application.

Q. How may application be made for hospital care of a veteran?

A. Veterans Administration Form P-10 which may be secured at all VA offices, should be completed and forwarded to the nearest Veterans Administration office.

Q. Can a seeing-eye or guide dog be secured from the Veterans Administration for certain blind veterans?

A. Blind veterans who are entitled to disability compensation or pension for a service-connected disability are entitled to seeing-eye or guide dogs.

Q. Must a veteran have experience in business to get a guaranty of loan for business purposes?

A. The ability and experience of the veteran, and the conditions under which he proposes to pursue such

occupation, must be such that there is reasonable likelihood he will be successful.

# Now...no wheat used in beer or ale

And wheat alone can solve the problem of feeding the world's hungry

Actually wheat has never been a large item in the brewing process—only  $\frac{8}{10,000}$  of the entire U. S. wheat crop was used in 1945:

In accordance with United States Government policy, the brewing industry has used no wheat whatever since March 1, 1946.

### OTHER MATERIALS CUT 30%

The other grains used have been reduced by 30%—that is, to 70% of the 1945 amount.

Wheat alone can solve the problem of feeding the hungry. The grains to which the industry is now restricted, are of a variety and grade not normally consumed by the people of the world as food.

### LESS BEER AND ALE

Altogether, the brewing industry is using 30%

less materials than in 1945. This results in a proportionately lower production. But since the current demand for beer and ale is about 25% greater than a year ago, the real shortage is nearer 50%.

Consequently, your dealer will not be able to supply you with all the beer and ale you would like. We know you will understand the reason for this.

Your attention is earnestly directed to the recommendations of President Truman's Famine Emergency Committee, which are summarized in the box below.

This statement tells in clear, simple terms what each of us individually can do to help during the emergency.

### What the President's Famine Emergency Committee asks us all to do

1. Save and share wheat and fat products... Go light on all foods that take wheat, fats and oils—save breads, macaroni, cakes, cookies; pastries and deep-fried foods. Use drippings for pan-frying. Save salad oil—use boiled dressings.
2. Buy and serve more plentiful foods... Balance diets with the more plentiful foods, such as potatoes, fresh fruits and vegetables.
3. Waste NO food... Dress up today's leftovers for tomorrow. Make every crust count with melba toast, crumb-toppings, bread puddings and stuffings. Take no more than you can eat. Clean your plate. Turn in unusable fat salvage promptly.

Carol Jane Canady Is High Ranking Student At Baylor University

Miss Canady, who is majoring in University freshman from Cameron, has been listed by Baylor's dean J. P. Cornette, as having attained an "A" average in her scholastic work for the winter term, thereby winning a coveted position on the school honor roll.

Miss Canady, who is majoring in English and minoring in business, is the daughter of Mr. and Mrs. C. L. Canady.

Develop New Method For Extracting Fossils

In the warm seas of the Permian geologic period, many forms of animal life which were present at the beginning of fossil records, about a quarter of a billion years before, disappeared, and in the next age their places were taken by creatures who are more or less close ancestors of present living things.

Of all the geologic periods in the United States, the Permian is one of the least known. Deposits are relatively rare and have not been thoroughly studied. Fossils preserved in old ocean bottoms are often extremely delicate and difficult to extract from the hard rock where they are fossilized.

Smithsonian geologists are working with a comparatively new technique. Many of the Permian fossils are imbedded in limestone but are themselves made up of silica. Great chunks of limestone can be placed in a tank of hydrochloric acid, which eats away the limestone but leaves untouched the silicified shells and even the delicate spines of the ancient animals. In this way it is possible to obtain hundreds of specimens and more perfect ones in less time than would have been required to chip away the stone from a single one in the past. The limestone blocks are obtained from the Glass mountains of West Texas, one of the chief Permian deposits in North America.

**Kills Slowly**

In demonstrations of spraying DDT in dairy barns, entomologists have found that the insecticide remained effective for six weeks to three months but killed the flies slowly. Flies receive a lethal dose in crawling across the sprayed areas.

**Sugar Cane**

When a sugar plantation is on fire that need not mean a total crop loss. On some sugar cane plantations the crop is burned before it is harvested. This removes heavy useless leaves but does not harm the juice-filled stalks.

Sharing a party-line telephone!

If you're sharing a telephone party line, you're helping someone else here have telephone service now. Otherwise he'd likely be waiting his turn for service.

Party-line service is one way of stretching the telephone system here—to serve as many people as possible now instead of asking some to wait until we've had time to put in the wires and cables and switching equipment needed to serve everybody who is waiting.

It's a big job—catching up with four years of backed-up demand. But we're hard at it. As soon as possible, we'll bring service to everybody who is waiting for it. And, after that, we expect to be able to furnish one-family telephone service to those who want it.

"GOOD NEIGHBOR" SUGGESTIONS for party-liners

Before calling, please listen to see whether the line is in use. If it is, hang up gently and try your call again a little later.

When talking, remember your party-line neighbor—he may want to make a call—so please be reasonably brief.

Between calls, try to allow a little time so the other people on the line may have the opportunity to use it.

Ask the children to follow these good neighbor suggestions, too.

Thanks a lot.

SOUTHWESTERN BELL TELEPHONE CO.

### Hoyte Club Meeting Hear Frozen Foods Discussed April 3rd

The Hoyte Home Demonstration Club met on April 3, at Mrs. Virgil Coward's residence. Eleven members and one visitor were present. Roll call was answered with the name of one's frozen food. Miss Vivian Johnson gave a program on the preparing of frozen foods for lockers. After the program, refreshments were served.

#### CARD OF THANKS

We wish to express our sincere thanks to our many friends who were so helpful at the death of our dear husband and father.

We also want to express our thanks to Father Holub, Terezie Picha, organist, the pallbearers and to those who gave flowers and assisted us during our time of sorrow. We shall always be grateful. May God bless each of you.

Mrs. Joe David and children.

### Lane E. Stetcher Will Enter A. & M. College

Lane E. Stetcher made a business trip to A. & M. College this week where he will enter school in June.

Mr. Stetcher recently received his discharge from military duty. He served in the European Theatre of Operations, where he was with the 7th and 3rd Armies. He was wounded in action while serving with the 3rd Army in Germany.

Charlie Probusky of Route 2 was a business visitor in Cameron last Saturday.

Mr. and Mrs. E. D. Kelso of Maysfield were Cameron visitors on Saturday.

### Wiltz Kemp Bridge Is Only Such Structure To Honor Living Texan

Wiltz Kemp, Texas historian and author of "The Signers of the Texas Declaration of Independence," is the only living Texan to have a bridge named for him.

This fact was referred to by John S. Redditt, chairman of the Highway Commission, who spoke here last Thursday. To many of his friends throughout Texas Mr. Kemp is called by his first name, Lou. In Cameron he is best known as Wiltz.

The bridge at New Braunfels is named the Lou Kemp bridge. Thus Mr. Kemp is the only living Texan to be thus honored. He was reared in Cameron the brother of Judge Jeff T. Kemp.

Mrs. W. R. Newton motored to Waco airport this week, where she met her sisters, Mrs. Josephine Matocha of Willamine, Oregon, and Mrs. Angela Kinzek of Compton, California. Mrs. Newton spent the night with her son and wife, Mr. and Mrs. Frank Newton. Mrs. Matocha and Mrs. Kinzek will spend several weeks in Cameron where they will visit friends and relatives.

### Lemon Juice Recipe Checks Rheumatic Pain Quickly

If you suffer from rheumatic, arthritis or neuritis pain, try this simple, inexpensive home recipe that thousands are using. Get a package of Ru-Ex Compound, a 2 weeks' supply today. Mix it with a quart of water, add the juice of 4 lemons. It's easy, pleasant and no trouble at all. You need only 3 tablespoonsful two times a day. Often within 48 hours — sometimes overnight — splendid results are obtained. If the pains do not quickly leave and if you do not feel better, Ru-Ex will cost you nothing to try as it is sold by your druggist under an absolute money-back guarantee. Ru-Ex Compound is for sale and recommended by

DUSEK PHARMACY

### Best Growth of Beard Gets \$25; Cameron Couple Gives Prize

Growing a beard may not only give color to the plans for the Centennial but may be profitable as well.

Mr. and Mrs. H. F. Smith, Jr., have announced a prize of \$25.00 for the best growth of beard.

It is not announced how the merits of these strange stubbles will be judged but perhaps the Chamber of Commerce may arrange to set up a committee on beards and whiskers. Experienced men will be needed.

The prize is open to all contestants. Rules and regulations will be set up within a few days.

Mr. and Mrs. G. H. Beckhuen of near Rogers shopped in Cameron on Saturday.

Telephone your news to 282.

### Rug Cleaners Open Business in Cameron

E. F. Mertz, war veteran with service in the Pacific, has opened a rug cleaning business in Cameron.

At present Mr. Mertz and his family are living in Rosebud but will move to Cameron as soon as they can obtain a home.

Mr. Mertz will be with the Cammer Tailor Shop. He was reared at Fredricksburg and is the son of Mrs. Emil Mertz of that city.

Cameron's housing shortage has been a great drawback to the progress of the city since the war has ended.

#### Carbon Ingredient

Carbon is an essential ingredient in smelting operations for the production of calcium carbide, ferro-alloys such as ferrosilicon and ferro-chrome, phosphates, silicon carbide, aluminous abrasives, iron ore reduction and other electro processes.

## BEER SHORTAGE DUE TO HUNGER RELIEF ABROAD

There has been so much discussion of the relationship of the brewing industry to the U. S. Government grain order effective March 1, 1946, that the United States Brewers Foundation believes that a statement of facts and statistics will do much to clarify confusion among the public and leaders of public thought.

In the calendar year 1945, the brewing industry used roughly 2,000,000 tons of grain and grain products to produce 87,622,421 barrels of beer. Since beer requires proper ageing, sales amounted to 81,305,026 barrels.

Some 29,000 tons of wheat were used in brewing in 1945. Prior to the war, very little wheat was used in brewing because of the plentitude of staple brewer's grains — chiefly, barley, corn and rice. No wheat whatever is being used in brewing during the world grain crisis, in accordance with the U. S. Government grain order.

The grain order also reduced by 30%, for the duration of the order's effective period, the use of other grains by the brewing industry. Because the industry desires to maintain the quality standards of its products, the 30% reduction in brewers' use of grain products means a cut of approximately 30% in production.

However, as demand for 1946 has been estimated to increase over 1945, the present reduction in the amount of beer will be somewhat nearer 50% of the demand.

The belief appears to be widespread that less beer is available than should result from the 30% cut. This misunderstanding has arisen from the natural expectation in March 1946, of 70% of the beer purchased in February, 1946. Actually purchases for March, 1946, on the average, were allotted by brewers at the rate of approximately 70% of the retailer's purchases in March, 1945, the corresponding month last year. Thus, the misunderstanding comes from failure to realize that brewers must adopt quotas for monthly distribution of their products on a "current-month - against - same - month - 1945" basis, rather than "current-

month - against - previous - month" basis.

The United States Government's grain order, and President Truman's program for meeting American commitments in connection with relief of the world food shortage, is based upon estimates by the U. S. Department of Agriculture in February that world food production was 12% below pre-war, with European production about 20% below normal. The greatest burden falls principally upon wheat and rice, in which both production and supplies were reported below estimates.

The fact that the food crisis did not come sooner is due in large measure according to the U. S. Department of Agriculture, to the substantial shipments this country has already made. In the last half of 1945, the United States exported more wheat than in any similar period of the past — about 5,000,000 tons.

Early estimates of the number of people facing famine placed the number at about 500 millions, everywhere in the world. Former President Hoover, chief of President Truman's Famine Emergency Committee, in his most recent estimate (New York Herald-Tribune, April 6, 1946), believes that 170 millions of these are in the European countries between the English Channel and the Russian frontier.

The grains saved by the 30% reduction order affecting the brewing industry will not be sent abroad in bulk or as processed foods for human consumption. It is contemplated that these grains will be used on farms in the United States, for feed purposes in lieu of wheat. This is because (1) there is a shortage in grains for stock food, and (2) the Government order prescribes a 20% reduction in

1946 of the amount of grain fed to stock in 1945, in order to obtain additional grains with which to meet U. S. commitments abroad.

## Pioneer Day Bids Are Being Mailed Out

Pioneer Day here Saturday, May 25 is being emphasized by hundreds of invitations going out to people in Midland county.

It is a part of the Centennial program, this bid to the old settlers. Mrs. J. L. Calloway at Chamber of Commerce is writing to hundreds of old people calling attention to the special day here at which time Boyce House, writer of book on Texas and noted news commentator, will speak.

The Pioneer Re-Union will be held in Central City Park. Already accommodations are being prepared and a full program arranged which includes a Fiddlers' Contest.

Read the want ads each day.

## How women and girls may get wanted relief from functional periodic pain

Cardul is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1 Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.

2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes. Try Cardul. If it helps, you'll be glad you did.

## CHAMBER PLANS FOR ANNUAL SHOW HERE

Plans to make the Centennial Celebration here the background for an annual 3-day program in Cameron were discussed Tuesday night at the Chamber of Commerce when the new directors met with President Narvie Caperton.

It was the first meeting of the new board for 1946 and President Caperton announced the committee appointments.

After some discussion the Directors named a committee to manage the annual celebration. Funds to be made from the Centennial celebration are to be safeguarded for future use.

The annual celebration of the future may be a livestock, poultry and agricultural show with a big-time rodeo.

In line with a recent suggestion here of John S. Reditt, chairman of the Texas Highway Commission, a committee will be set up to study road needs in the county. This committee will be known as the Good Roads Committee and will serve to map out road demands and to present them to the Highway Commission.

This good roads committee will be made up of men from the various communities of the county and will work with the Commissioners Court at all times.

Road building of the future will be by well laid plans and with reference to over-all needs. Ultimately it is desired that the road building program be under the county unit system.

## NEW CITY OFFICIALS TAKE OVER ON TUESDAY

City officials will take oath of office Tuesday night, April 16.

The new officials are Mayor A. W. McCullin, Aldermen August G. Kunz and Ben F. Reichert, and Jim McGoldrick, City Marshal.

Other officials to take the oath are W. H. Stafford, Assessor and Collector of Taxes; Dan Tyson, City Secretary and Treasurer, and Roy Baskin, City Attorney.

In the February primary the issue in the campaign was progress as against the policy of the status-quo. As a result the people will be watching closely the new council members and hopeful that plans which have long been held in abeyance may now be activated.

Among the matters pending is a call for a city election for a proposed \$232,000 bond issue for streets, municipal building, memorial building library and auditorium.

Among the patients in Newton Memorial Hospital is Rosalie Rehak of Buckholts, Route 2, and her many friends will be glad to know she is improving.

A. L. Graham of Gause has been ill and is in Newton Memorial Hospital for treatment.

Miss Lydia Baron has returned from a few days visit with relatives and friends in Louisville, Kentucky. She has now resumed her duties with Southwestern Bell Telephone Company here.

Miss Betty Southern is at Newton Memorial Hospital for treatment. She is the sister of Rev. Jack Southern, minister at the North Central Church of Christ.

## First Methodist to Be Scene of Union Church Services on Good Friday

Churches of Cameron will unite for the observance of Good Friday, April 19, when Union Service will be held at First Methodist Church from 12 noon to 3 p.m.

The full three-hour program will be as follows:

Hymn 157, "When I Survey the Wondrous Cross"

Meditation—Fulfillment of Prophecy in the Cross, by Rev. Frank Tullock.

Hymn 72—"In The Hour of Trial"

Meditation—Father Forgive Them, They Know Not What They Do, Rev. Henry Bailey.

Hymn 162—"Jesus Keep Me Near The Cross."

Meditation—This Day Shalt Thou Be With Me in Paradise, Rev. C. W. Sanders

Solo, Mrs. W. G. Harsha.

Meditation—Woman Behold Thy Son, Son Behold Thy Mother, Rev. A. J. Frisby.

Hymn 155—"Jesus I My Cross Have Taken."

Meditation—My God, My God, Why Hast Thou Forsaken Me?, Rev. E. H. McKinzy.

Solo, Mrs. Inez Collins

Meditation—I Thirst, Rev. C. A. Baskin.

Hymn 4—"My Faith Looks Up to Thee."

Meditation—"It Is Finished", Rev. Edward Ditterline.

Solo—"It Is Well With My Soul."

Meditation—Father Into Thy Hands I Commend My Spirit, Rev. K. R. Isbell.

Hymn 158—"In the Cross of Christ I Glory."

Benediction.

Mrs. J. H. Sapp and Miss Catherine Monroe will be at the organ.

## HENRY BLACK, PIONEER DIED IN PORT ARTHUR

Henry Black, 75, died at a hospital in Port Arthur Sunday, April 14. Mr. Black suffered a heart attack about four months ago and had been ill since.

He was born at the Old Black home near Cross Roads, and had lived in and around Jones Prairie all his life until recently when he moved to Port Arthur to make his home with his children. He was a life-time farmer. His wife preceeded him in death about 14 years ago. He had been a member of the Little River Baptist church since childhood and was a member of the Masonic Lodge and Woodmen of the World.

His survivors include four sons: Dewey Black of Jones Prairie, Davis Black, Weldon Black, and Charles Black, all of Port Arthur, and four daughters; Mrs. Myrtle Sanders Freeport, Mrs. Dorothy Crook and Mrs. Marie Johasen, both of Port Arthur, and Mrs. Joyce Faulk of Orange, Texas. He is also survived by several nephews and nieces, including Carl Black, Milam county Sheriff, and Rev. Kirby McGuire, Baptist minister of Waco.

Funeral services will be conducted by Rev. Kirby McGuire, Baptist minister of Waco, at Little River Baptist Church at 3:00 p. m., Tuesday April 16. Burial will be made in Little River cemetery with Green Funeral Directors in charge. The body will remain at the Green Funeral Home until the funeral hour.

Active pallbearers were: E. B. Yager, Carlton Crook, Homer Crook, Robert Glenn, A. L. Burnett, and Rodney Fontain.

Honorary pallbearers were: Julian Burnett, W. T. Burnett, Dr. Willie Fontain, Sam Hickman, Tom Stidham and G. W. Roden.

Albina Tomasek of Route 1, shipped in Cameron last week.

## MRS. A. E. SHARPE DIED IN HOSPITAL FRIDAY

Mrs. A. E. Sharpe, 79, a native of Texas and resident of Cameron for 50 years, died in Cameron Hospital at 6:45 a. m., Friday, April 12.

Funeral arrangements had not been completed up to noon Friday. The body will remain at Marek-Burn Funeral Home until the funeral hour which may be sometime Saturday.

Mrs. Sharpe had been ill for some time and had been under treatment at the hospital. She was the widow of the late A. E. Sharpe, pioneer Cameron business man who established the Acme Steam Laundry, now operated by R. E. Sharpe, their son. Her husband died in 1911.

Mrs. Sharpe was born September 10, 1866 in Richmond, Texas, the daughter of the pioneer, Ernest Baumgart. She had been a member of the Methodist church in Cameron 45 years and served as Secretary of the Woman's Benefit Association, at
